Plenty of candidates.
"Father" Maples has been very ill.

Several telephone boxes were robbed the night of the fire.

What's the matter with hurrying up those Chicago street improvements?

Miss Nettie Fadden, who has been with Mrs. L. A. McKeon for several months, left on Monday for her home in Seattle.

Among my list can be found some fire insurance to please you. W. H. King.

E. E. Shields is this week to go to Hopeville, Iowa, for a few weeks' visit. He will then return to this city.

Willis S. Duniway, for State Printer, is a clean man, who has done a great deal of hard work for Republican principles during the past fifteen years.

Fashionable dressmaking: fitting by most approved methods. Mrs. Fred Brown, 423 East Chicago.

The Evangelistic services which have been in progress for the last two weeks at the Evangelical church have proved quite successful in spite of the very inclement weather.

Remember! You cannot buy finer candies or cigars than the goods Valentine sells in his neat store.

Candidates in the coming election may have any sort of printing desired at the office of THE REVIEW. All work is confidential—and the best of prices will be made. Work done promptly, neatly and correctly.

Try the "Par Excellence": the champion 5c cigar: made in St. Johns.

J. A. Stanley, who was last week badly disfigured by a blow from an axe, is now able to be out and about. At first it was feared by Dr. Holland that the skull was fractured—but later it was found not to be the case.

Try the "Par Excellence": the champion 5c cigar: made in St. Johns.

Willis S. Duniway, for State Printer, is a practical printer and man of good character, who would add strength to the Republican ticket. He is a forcible speaker, also, and would do more than his part in the campaign.

Insure against fire before you have one—with D. C. Rogers, agent for the "old reliable" Phoenix of London.

The barber business in this city must be scraping along very nicely. George Hall has brought his shop to the front and added room to his place—while Mansfield has put on a new front and replaced his stove-pipe chimney with one made of tile.

Any one wishing to rent a six-room house, near business center, with fine river view, call at this office.

The Yeomen held an open meeting last Friday night. There were speeches by H. A. Miller, from San Francisco, and Dr. Ambrose Johnson, of East Portland. Both men hold high offices in the order. Violin music, refreshments and dancing helped to pass the hours.

I have the best life insurance policy to be found in America: The Union Central Life. The safest and best—at a fair price. Come in and talk it over. W. H. King.

Will J. Dotson and wife, who have been living at Sherwood, Oregon, have removed to St. Johns, and are residing in the house belonging to Mrs. N. McCann, at Point View. Mr. Dotson has already purchased several lots in this city and will soon commence the erection of a nice home.

An insurance policy in a reliable company is as good as money in your pocket in case of loss by fire. Ask the Peninsula Bank.

Howard G. Ogden and family, who have been guests of Mrs. L. A. McKeon for several weeks, left for their home in Mason City, Iowa, on Wednesday. Miss Louise, daughter of R. W. McKeon, accompanied the party. The group was anxious to get back into a snowy, stormy country.

It doesn't pay to have your life insurance policy written by a stranger. Have it done here in St. Johns by a home man. I have the best company in the world. W. H. King.

Mrs. J. B. Gentry—who is still confined to her bed—received word Sunday evening that her father, who lived in Nebraska, had just died. Mrs. Gentry has not recovered from the big fire—when she was removed from the Central hotel upon a cot as the fire seemed to be attacking that hostelry.

One need not be born with a veil or the gift of prophecy to foresee that lots between Fisk street in University Park and Macrum avenue in Northern hill on Dawson street which extends through the center of that rapidly growing district between the rivers in Portland, and now selling for \$15 per front foot, will within twenty years from today, sell for one thousand dollars per front foot.

ALL STREET WORK.

Street Work Occupied The Entire Evening Of The City Council On Wednesday.

An adjourned meeting of the council Wednesday evening, at which Mayor King presided and all members except Councilman Thompson and Edwards were present, resulted in considerable street work being done.

The estimates of Engineer Goodrich for the improvement of Charleston street from the north line of Jersey street to the north line of Hudson street, were accepted, and a resolution was adopted to that end.

The new estimates for the improvement of Pittsburg, Salem and Crawford streets were adopted, and resolutions adopted for such improvements.

The O. R. & N. railway filed its acceptance of the ordinance giving the road the desired right to re-lay its sidetrack.

A contract was presented from the water company for a five-year service of the three new fire hydrants on Bradford street. The present charter of the city forbids any contracts for a longer period than two years—and the water committee was instructed so to inform the water company.

I. N. Tomlinson applied for a ten-day extension in the time limit for the completion of the improvements of John street. A delay had been caused by bad weather. The extension was granted.

Steps were taken towards the appointment of an extra police to act as nightwatch—and John Verdigan was appointed as such officer—conditional upon his salary being arranged for by assessments upon the business places.

Adjourned to Tuesday, March 27.

ANOTHER TICKET.

An Adjourned Meeting Places Another Ticket In The Field To Be Voted Upon.

Tuesday evening a meeting was to have been held at the office of O. E. Learned for the purpose of nominating a city ticket. More than a half hundred wended their way thither, but when the numbers were considered it was given out that the thing was off, and the crowd left. Several, however, decided to place a ticket in the field and met again this time at the home of J. P. Wrinkle.

There is some fault found because the matter was conducted in a secret manner—and some assert that it was not fair to all who desired another ticket. However that may be it is conceded that a surreptitious ticket has the same right that one created at a mass convention has.

The ticket as filed shows the following-named for the various offices:

MAYOR
C. A. Cook
COUNCILMEN FIRST WARD
O. E. Learned J. H. Black
COUNCILMEN SECOND WARD
L. Badger E. C. Thurston
COUNCILMEN AT LARGE
H. W. Brice E. D. Harbert
R. C. Clark
RECORDER
W. L. Churchill
TREASURER
C. W. Potter

It is now up to the voters of the city. With them lies the decision as to whom will be the popular choice for the several offices. There is no need of slander; the truth should suffice; and the majority should by all means rule.

Card of Interest

We desire to return to the people of St. Johns and vicinity our sincere thanks for the kindnesses and the patronage given us during our business career in this city. We dislike very much to relinquish the large and constant increasing custom that has been coming our way—and assure all that we retire from our trade with regret. We have endeavored to merit the confidence of all—and our list of customers embraces almost all within and near this city.

There are a few bills due our firm which are now payable, and we will promptly call and make a settlement. For a short time we shall be the old stand—or in the store of F. W. Valentine—and we shall be pleased to see our old friends.

To Change Grade.

For some time past W. W. Goodrich has been in correspondence with postal authorities relative to changing the St. Johns postoffice from the fourth to the third class. The matter is now being investigated and if the promotion can be secured it will be the better for the city—and all concerned.

S. McClave has been distributing some very pretty calendars carrying his business ad. A trifle late—but they're all right.

First class and reliable insurance companies only are represented by the Peninsula Bank.

People do not take kindly to the "still hunt." There is too much of an opportunity to settle private grudges and circulate rumors that are not based upon facts.

O. R. Downs has secured the necessary 25 signatures to his petition for nomination—and is now a full-fledged candidate for the position of clerk and recorder.

Smoke a St. Johns cigar—best too cigar on the market—the "White Crow."

THE REVIEW repeats the assertion that it will be no mud-wagon during the present campaign. It will give the news fairly and without prejudice—never minding who the facts may hit.

Protect your property from loss by fire by insuring in only first class companies. See the Peninsula Bank.

Rev. E. L. House will preach at the Congregational services in the M. W. A. hall on Sunday of this week. Services will be held at three-thirty—and the reputation of Mr. House should draw a large audience.

Clarence and Oscar Shepard, brothers of the well known real estate man "Dick" Shepard, write from Glenwood, Iowa, that they have tired of the prairie blizzards and are longing for the balmy weather of Oregon.

Smoke a St. Johns cigar—best too cigar on the market—the "White Crow."

F. L. McKenna, of University, is the newly-chosen president of the "Committee of One Hundred" selected by the Portland Board of Trade. W. W. Goodrich is the only resident of St. Johns who was selected on that committee.

Fire may destroy your home any time. Are you protected against partial or total loss? If not, call at the Peninsula Bank and learn the small amount that will give you protection.

Moses Tufts, one of the original ladies' men of this city, is contemplating removing to Yale, Washington, where he will be interested with the John Peterson Logging Company. He has gone there to look up all details—but will be back in a week or so to clean up here.
